Examiner: M. SALVITTI

Filed: January 28, 2004

Docket No.: 118411

For: EMULSION AGGREGATION PROCESS FOR FORMING CURABLE POWDER
COATING COMPOSITIONS, CURABLE POWDER COATING COMPOSITIONS
AND METHOD FOR USING THE SAME

SUMMARY OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants' representatives conducted a telephone interview on November 3, 2010
with Examiner Salvitti.

Applicants appreciate the courtesies shown to Applicants' representatives by Examiner
Salvitti during the November 3 telephone interview. Applicants' separate record of the
substance of the interview is incorporated into the following remarks.

Applicants' representatives presented Applicants' concerns regarding the rejections of
record. Specifically, Applicants' representatives argued that the Amendment After Final
Rejection filed on October 12, 2010 placed the application in condition for allowance. As
argued in Applicants' October 12 Remarks, the references teach away from use of a
surfactant.

Examiner Salvitti indicated that a Request for Continued Examination would be
required because further search and/or consideration would be required.

Should any questions arise regarding this correspondence, all inquiries may be directed to Applicants' undersigned representatives at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
